Snipr!

Khad khad karke khunda khadkiya
Sab chuliya de vich luk gaye
Bapu ne add labuhe di kholi
Takhat poosh ton uth ke

Rajhe daru naal 5 police ye
Ghar nu pai gaye
Tut ke vadde bai nu kenter lai gayi
Todi aal o chok ke

Choti ben di faad ke chunni gaye
Bade bibi te thuk ke
Maa ne mainu jamia kharku
Bania andro buk ke
Maa ne mainu jamia kharku
Bania andro buk ke

Pune din main kandh tap gaya
Dhar ke mode bala
Khabla de vich khadd ke baniya
Sheeshe bina ramala

Nehro nehri nark nu turr peya
Putt bebe da paala
Saal 18 chaki 47
Keh ke maut nu massi

Chaku de naal likhiya raat nu
Hikk de utte 84
Chaku de naal likhiya raat nu
Hikk de utte 84

Oh mava nu mud putt mile na
Oh mava nu mud putt mile na

Pai gayi kachi an dandiya
Kina ghara di luti izzat
Laake jism diyan mandia

Chuk chuk maare muchh fut gabru
Kinia hoiya randiya
Marothal ban gayia mava
Kithe bujhan pyasa

Wang lalera nehar ch dharia
Khet gayia diya lasha
Wang lalera nehar ch dharia
Khet gayia diya lasha

Bedar tohra neela chola
6 futt jussa lasske
Hath ch teer wang gaatre

Rakhia pistol kasske

Gas ke vairy danda naal karde chooran
Kith jande bach ke
Ghulam hon ton changi shaheedi
Laa ke morcha beh gaye

Raj karega sada khalsa
Dasam pita ji keh gaye
Raj karega sada khalsa
Pindran wale keh gaye

Chardi kala di chard khalsa
Chool milo na tilli
Maan naal laa ke khala tangiye
Ankah sidak di killi

Jang dhillon ne likh ke satrah
Part jakham di chilli
Hun jattan de kehta utte
Akh dhardi aa delhi

Par sher ta mitran sher bajuga

Billi rahungi billi
Sher ta mitran sher bajuga
Billi rehni billi.
