English

Tu ta pehle sate jach geya si ve jatta
Main uto utto nakhre si kardi
Tu ta pehle sate jach geya si ve jatta
Main uto utto nakhre si kardi

Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi
Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi

Ho tu ki jaane doude vich naam tera khoon de
Photo teri lai phira sohneya main phone te
Ho tu ki jaane doude vich naam tera khoon de
Photo teri lai phira sohneya main phone te

Thora aadab bi laggeya si tak ke dil
Jatti kohenoor wargi vi har gai

Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi
Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi

Wadde wadde aundeya de saak vi main mod te
Tere piche khore ve main kinea dil tod te
Wadde wadde aundeya de saak vi main mod te
Tere piche khore ve main kinea dil tod te

H bhut kadian dalila sanghe jot ne vi
Jass main taa tere utte kahar nu mar gayi

Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi
Tere 300 gram wale dil utto sohneya
Ve main na na kardi ni margi.
