

4 Desi's Lyrics

English

O yeah..

This is springer you do your thing,
I like your rap in angrezi,
They ask me why i'm in the rap gang?
I said i do it for the desi's,

I do it for the desi's,
I do it 4 the desis,
I do it for the desi's,
I do it 4 the desis,

I said i do it for the desi's,
Rap like i'm crazy,
Cause motherf** take me,
I'll be in the studio,
You motherf** lazy,

Than i walk the whole damn nation like jazy,
Nothing seems that amaze me i've seen it all,
To take friends acting like they love me,
But wanna see me fall,
You got a problem with springer,
Then come and see me doll,

But you ain't talking about shit use a way me doll,
Believe me doll,
If i wanna i raise you,
Get the motherf** i'm on the block to replace you,

Talkin' about how're you in love with the game,
But ain't faithful,
Acting like you real hip-hop but you're the fake fool,
Yeah you're so ungrateful,
Had a few fans not even that motherf** take you,
I'm thankful for all the blessings and my supporters,

Much love to my fans across the border,

This is springer you do your thing,
I like your rap in angrezi,
They ask me why i'm in the rap gang,
I said i do it for the desi's,

I do it for the desi's,
I do it 4 the desi,
I do it for the desi's,
I do it 4 the desi,

Growing up with pressure,
My desi's understand it,
We didn't wanna live life,
The way our parents planned it,
Walking out thin line,
I don't know how i managed,

I earned every earn of respect,
It wasn't handed,
I don't wanna live lavish,
I don't want the finer things,
Just recognize the originality i can bring,

You don't know the hope,
That i gave to these children,
Looking like the face of the nation,
The millions asians or indian,
Punjabi is the mother tongue,
You're the same color as me,
Looked at what your brothers done,

Made a life from the hardship,
I never ask his,
Light skin or dark skin,
We all got the heart of kings,

I love my people,
I do it for us,
When they peeping at the scenes,

Tell me who can you trust,

These fake fool,
They are doing their own besti,
Or the real ones doing it for the desi's,

This is springer you do your thing,
I like your rap in angrezi,
They ask me why i'm in the rap gang,
I said i do it for the desi's,

I do it for the desi's,
I do it 4 the desis,
I do it for the desi's,
I do it 4 the desis,

Yeah yeah yeah,

Meri jaati hai,

Suna hai kafi daraati hai,
Tumko meri vyaakran,
Saral shabdon mein bolu kya?
Jaise koi maa samjhaati hai,

Honi faatam-faati hai,
Puchh lo chaahe bhagwaan se,
Vatawaran hi badal dunga,
Bankar gaaunga tansen,

Vimaan se vichar mere,
Nikal jaayenge aawaz karke,
Upar se likhwaaya ye gaana,
Maine babbu mann se,

Badbudar kude-daan se zyada,
Inki soch kabaada hai,
Pichwada main chhod diya inka,

Tod diya jabaada hai,

Dilwaya maine jhaada hai,
Inke liye apshagun hun main,
Dekho teen tigada humne,
Kaam bigaada hai,

Pardhaan..

This is springer you do your thing,
I like your rap in angrezi,
They ask me why i'm in the rap gang,
I said i do it for the desi's,

I do it for the desi's,
I do it 4 the desis,
I do it for the desi's,
I do it 4 the desis,
I do it for the desi's,
I do it 4 the desis,
I do it for the desi's,
I do it 4 the desis.
