---

## English

Virahn ke pas virah ki aag  
Tann mann sulgaye  
Sankar prem jawala nand lala  
Julmi yad awan lage  
Mohe roz roz tad pawan lage  
Chale sans ghabhrawan lage  
Sawro kaha main hu tihari  
Preet ki mari aaja murari

Aa bhi ja rasiya  
Aa bhi ja rasiya  
Mann mora pyasa  
Mann mora pyasa  
Aa bhi ja rasiya  
Nain kamal hai nisdin tarse  
Bin badal haye jhar jhar barse  
Bin tare kachhu nahi paye  
Bin tare kachhu nahi paye  
Aa re aa mori tham le baiyan  
Aa aa aa...  
Aa bhi ja rasiya  
Aa bhi ja rasiya

Chhamak chhamak  
Nachat kanhayi  
Ta tha thai ta tha thai  
Chal dhal sab nyari  
Ta ta tari mari mari  
Tat bajat pagnu khud jhankari  
Tat bajat pagnu khud jhankari  
Ja re ja kanha ja re ja  
Chalo chodo more hath jalima  
Ja re ja kanha ja re ja  
Hato tose ham na bole jalima  
Kanha ja re ja

Humse na rutho radha  
Hamse na rutho radha  
Jiya ja jalao radha  
Jiya ja jalao radha  
Murli ki taan tum radha  
Murli ki taan tum radha  
Mora tum hi rag tum hi  
Rang tumhi pran ho  
Pran ho radha pran ho  
Radha pran ho
