Kah rahi hai jhum ke anginat kahaniya  
Noor hai bikhra hua  
Aa hum chale aasma se bhi aage  
Man le dilruba aa bhi ja  
Aa hum chale

Door tak bahar hai  
Door tak sabab hai  
Zindagi hasin hai waqt lazwab hai  
Pyar hai jaga hua  
Aa hum chale aasma se bhi aage  
Man le dilruba aa bhi ja  
Aa hum chale

Husn ke hasi kadam  
Chumti hai chandani  
Do jaha hai sath sath  
Ek teri hai kami  
Tu hai kyu khoya hua  
Aa hum chale  
Aasma se bhi aage  
Man le dilruba aa bhi ja  
Aa hum chale.
