Aa raat jati hai chhupake se mil jaye dono  
Chalake kahee apni aag me jal jaye dono

Are aap kyon chhup gaye, aayiye hamare sath gayiye naa

Mauka bhee hai aarjoo bhee lag jaa tu mere gale se  
Rangin si bekhudi me ho jam do sath leke  
Yeh bekarari kaa mausam yeh sans leta andhera  
Yu dal julfo ke saye phir naa kabhee ho savera  
Hatho me yeh hath leke machal jaye dono  
Do rang jaise kee milte hain mil jaye dono

Aa rat jati hai chupake se mil jaye dono  
Chalke kahee apni aag me jal jaye dono  
Aa rat jati hai chupake se mil jaye dono  
Chalke kahee apni aag me jal jaye dono

Pyale me kya hai mujhe toh apne labo kee pila de  
Bujh naa saki jo umar bhar woh pyas tu hee bujha de  
Najdik tu itani aa jaa, sine me pad jaye halchal  
Deke badan kaa sahara mujhko udaye liye chal  
Kho jaye aise kee phir naa sanbhal paye dono  
Tadpe kuchh aaj iss tarah se bahal jaye dono

Aa rat jati hai chhupake se mil jaye dono  
Chhalake kahee apni aag me jal jaye dono  
Aa rat jati hai chhupake se mil jaye dono  
Chhalake kahee apni aag me jal jaye dono  
Aa rat jati hai chhupake se mil jaye dono  
Chhalake kahee apni aag me jal jaye dono.
