

Aafat Waapas Lyrics

English

Apun phir se aa gayerele
Ahaa!
Tumlog ko to maaloom hi hai na
Kya bolreli hai public?
Paida hua pala bada
Hateli ilaake mein
Pitaji ke patte khaya
Pateli ke laafe diya
Harkate khurafaati
Sab log khilafi the
Matlab koi nafrat nahi
Hum log khilafat the

Yaaron ko thi aapatti
Bambai number 70
Ek khurd ek naam
Naezy the baa
Ek dude ek kaam represent
Mera jee bechain
Mere jaise kaun
Tere jaise bhott
Karun main toh mauj
Chalat mere dost
Jaise koi fauj hai
Salaam mera chaahne waalon ko
Jalne walon ko slam mera
Trye karu har ek dream mera
Tere se bhi dhaansu beta game mera
Paanch saal rap kara fame mila
Meri tasveeron ka tu frame laga

Aaya aafat waapas
Saath mein laaya kya
Waapas aafat
Bachke rehna beta

Aafat waapas
Ek phir se bole
Waapas aafat
Mera bhai tu bandh hai
Aafat waapas
Saath mein laaya kya
Waapas aafat
Bachke rehna beta
Aafat waapas
Ek phir se bole
Waapas aafat
Mera bhai tu bandh hai

Abhi baaki hai bhai!

Jaage jab savera
Aaj se door andhera
Kaafir thought tha mera
Ek hi god tha mera
Baap ne roka mujhe
Baad mein kuch ni bola
Raat gayi baat gayi
Mera bhai maine aankhe khola
Baat sun dhyaan se meri
Tension kam le thoda
Yaad rakh khud se tune
Aaj tak kuch nahi toda

Maang le rab se tera jhatt se bhar de jhola
Raapchik rap hai mere aag jaise shola

Aanh...

Aaya aafat waapas
Saath mein laaya kya
Waapas aafat
Bachke rehna beta
Aafat waapas
Ek phir se bole
Waapas aafat

Mera bhai tu bandh hai
Aafat waapas
Saath mein laaya kya
Waapas aafat
Bachke rehna beta
Aafat waapas
Ek phir se bole
Waapas aafat
Mera bhai tu bandh hai

Mera bhai mera bhai bhai bhai
Mera bhai baa baa bhhai bhai band hai
Band hai band mera bhai tu bandh hai
Band band band band...
Mera bhai tu bandh hai

Karun cheer faad
Kyunki insaan bahut hi bhaari
Mera dil saaf kyun hai chinta
Khud ko gin kya
Ek aur ek do, do aur teen paanch
Chappal ghista
Har roz pissta, main hoon zinda
Shaktiheen tha
Meri beat start kar repeat
Naach meri jeen haar to chhinta
Kyunki bikraa
Tu hai sirf shor
Teri beat bore reet bore
Aati neend kya

Aaya aafat waapas
Saath mein laaya kya
Waapas aafat
Bachke rehna beta
Aafat waapas
Ek phir se bole
Waapas aafat
Mera bhai tu bandh hai
Aafat waapas

Saath mein laaya kya
Waapas aafat
Bachke rehna beta
Aafat waapas
Ek phir se bole
Waapas aafat
Mera bhai tu bandh hai

Kya kidhar gayab hogayela hai
Public bol reli ki gayab hogayele kya
Lekin waapas aane ka hi hai apne ko kya
Rap to karne ka hi hai zindagi bhar
Gaayab hoyenge waapas aayenge
Jab chaahenge tab machayenge

Mera bhai tu bandh hai
Apun bandh nahi hai kya
Apne ko to karne ka hich hai

Zindagi tamasha hai
Bandagi karata main
Batata main khaata
Hakuna matata show pe jab jaata
Tab sabki hataata

Aadmi bechara main
Phir huaa deewana ye

Rapper hi ban'na tha
Farrata kharrata noton ko uda dun
Mita dun sannata ssshhh...
