Itani jaldi tujhe jaane ki  
Zaroorat kya hai  
Tujhako shaayad nahi  
Maalum mohabbat kya hai  
Itani jaldi tujhe jaane ki  
Zaroorat kya hai  
Tujhako shaayad nahi  
Maalum mohabbat kya hai  
Dur mujhase mera  
Dil todake jaane waale  
Teri najaron mein mere  
Pyaar ki kimat kya hai  
Kuchh toh batala ke  
Tere dil mein hai kya pardesi  
Kuchh toh batala ke  
Tere dil mein hai kya pardesi  
Aaj ki raat na ja pardesi

Kya kisi aur ko bhi waqt diya hai tune  
Kya kisi aur se bhi waada kiya hai tune  
Kya kisi aur ko bhi waqt diya hai tune  
Kya kisi aur se bhi waada kiya hai tune  
Raah mein kya koyi dhanwaan mila tha tujhako  
Kya mohabbat ka badal dhund liya hai tune  
Iss tarah mujhase tu aankhein na chura pardesi  
Iss tarah mujhase tu aankhein na chura pardesi  
Aaj ki raat na ja pardesi

Chand lamahon ki mulaakaat mulaakaat hai kya  
Tujhako maalum nahi taaron bhari raat hai kya  
Chand lamahon ki mulaakaat mulaakaat hai kya  
Tujhako maalum nahi taaron bhari raat hai kya  
Itani jaldi tu mohabbat ka sabab bhul gaya
