Koi ro ro pukare

Meri duniya bas kar  
Ujad gayi ujad gayi  
Meri duniya bas kar  
Ujad gayi ujad gayi  
Bulbul thi bulbul thi main  
Phoolo se bichad gayi  
Bichad gayi  
Takdir ne aaker lut liye  
Arman hamare  
Main to bisaru zalma  
Mera deil na bisare

Barbad hoon main barbad hai dil  
Barbad hoon main barbad hai dil  
O jane wale phir aa mil phir aa mil  
O jane wale phir aa mil phir aa mil  
Mere dil ki bagiya jaye  
Khil phir aa mil  
Taras gaye teri  
Ek jhalak ko nain bechare  
Main to bisaru zalma  
Mera deil na bisare  
Aaja bedardi balma  
Koi ro ro pukare aaja aaja.
