Thi kya dil ko bekarari
Mahfil thi mahfil thi

Chai naya jab dekhi

Ye surat pyari pyarui
Aao aao jane jaha
Aao aao jane jaha
Dil ne dhunda
Tumhe kaha kaha

Aao hum bhi aaye hai
Baho ke haar leke
Hotho pe ek nagma
Ankho me pyar leke
Is dil ke shishe me
Taswire yar leke
Aao aao jane jaha
Aao aao jane jaha
Dil ne dhunda
Tumhe kaha kaha
Aao aao jane jaha

Ulfat hai ya kya hai
Kuch kam hai
Dil ki uljhan
Pahle thi khoyi si
Ab chanchal
Hai ye chit wan
Tum chhu lo kuch aise
Lahraye mera tan man
Aao aao jane jaha
Aao aao jane jaha
Dil ne dhunda

Tumhe kaha kaha
Aao aao jane jaha.
