Aapko aapse chura
Loon chura loon
Dil meinin rakh loon
Duniya ki nazar
Se chhupa loon
Aapko aapse chura
Loon chura loon

Dil hai aapka dil hai aapka
Dil ko aise na thadapoye
Chodiye berukhi
Paas to aaiye
Chodiye berukhi
Paas to aaiye
Sang rahu dard e dil
Kuchh dawa to karo
Aaj dil is tarha
Sambhalu sambhalu
Dil meinin rakh loon
Duniya ki nazar
Se chhupa loon
Aapko aapse chura
Loon chura loon

Bahe gher le bahe gher le
Tumhe zulfo ke saye tale

Mad bari raat ye
Umar bhar na dhale
Mad bari raat ye
Umar bhar na dhale
Yu mile phir jawa jism to ekza
Aag se aag ye bhula lo
Dil meinin rakh loon
Duniya ki nazar
Se chhupa loon
Aapko aapse chura
Loon chura loon
Aapko aapse chura
Loon chura loon
Chura loon chura loon
Chura loon chura loon.
