

Aashiq Awaara Lyrics

English

Go!

Oh mere yaara sau baara
Bulaya ki karaan?
Je tu na aaya phir das de
Guzara ki karaan?
Ve tu na samjhe, na samjhe
Ishara ki karaan?
Hai mera aashiq, hai aashiq
Awaara ki karaan?
Come close to me...

Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...
Come close to me...
Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...

Bas tujh jaisi chahiye mere jaise ko
Duniya mein kudiya hai kaafi waise to
Do minute'on mein laakhon udaa doon
Aag lagaa doon tere piche saare paise ko
Kar thoda sa aur sabar baby
Jalne waalon ki le lo khabar baby
Maana thoda sa hoon busy baby
Par milne pe dekh kaise karta hoon kasar baby
You're my baby
You're my right hand
We facetime
All night fame
Follow kare jo tu apna diet plan
Teri figure badal de mera flight plane
oo...

Pata nahi samjhaun tujhse kaise
Ab shayad lage ye sazaa
Pata tujhe bhi hai mujhko milke
Tujhe kitna aayega mazaa

Oh mere yaara sau baara
Bulaya ki karaan?
Je tu na aaya phir das de
Guzara ki karaan?
Ve tu na samjhe, na samjhe
Ishara ki karaan?
Hai mera aashiq, hai aashiq
Awaara ki karaan?
Come close to me...

Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...
Come close to me...
Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...

Teri saari girl-friends kare mujhe hate
Tere mere breakup ka karti hai wait
Kuch shayad chahti nahi ki tu khush rahe
Kuch shayad mujhe karna chahti hai date
Unh!
But unhe kya pata baby unhe kya khabar
Mujhko toh hai bas teri hi fikar
Gaano mein rahe mere tera hi zikar

Baby dil bhi hai tera baby tera hai jigar
Wah

I know ki tujhko pata hai
Tera haath mere haathon se chhutege nahi
Tera mera rishta baby jaise diomond
Shine karega aur tootega nahi

Rakha kya hai bataa

Mujhko inn baaton mein
Dhoondhe kya banke tu
Paagal inn raaton mein

Rakha kya hai bataa
Mujhko inn baaton mein
Dhoondhe kya banke tu
Paagal inn raaton mein

Hai itni arzi
Khudgarzi, na marzi tu chala
Mujhko bataa de
Samjha de kya karun tere bina

Oh mere yaara sau baara
Bulaya ki karaan?
Je tu na aaya phir das de
Guzara ki karaan?
Ve tu na samjhe, na samjhe
Ishara ki karaan?
Hai mera aashiq, hai aashiq
Awaara ki karaan?
Come close to me...

Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...
Come close to me...
Tu aaja nede, nede
Tu aaja nede nede
Tu aaja na...

Das de... das de... das de...
Main ki karaan?
Das de... das de... das de...
Main ki karaan?.
