Lekin papa ki beti kyu ruth gayi
Papa ne aaj meri puppy nahi lee
Ek nahi le do do puppy
Ab to muskurale

Aate bate dahi chatake
Bad phule bangale
Chak dhum chak chum gate gate
Aaja mauj manale
Aate bate dahi chatake
Bad phule bangale
Chak dhum chak chum gate gate
Aaja mauj manale
Chak dhum chak chum
Chak dhum chak chum
Chak dhum chak chum
Chak dhum chak chum

Jaise panch ungliyo se
Ek haath ka hai sansar bana
Waise panch jano se hi
Hum logo ka pariwar bana
Jaise panch ungliyo se
Ek hath ka hai sansar bana
Waise panch jano se hi
Hum logo ka pariwar bana
Sabse choti ungli munni
Mai hu is chutki ke bad
Are bich ki ungli badh ke chacha

Phir meri bhabhi zindabad
Angutha papa mere
Dekho pyare pyare
Aate bate

Kitni nadiyo ka sangam hi
Ek sagar kahlata hai
Phul agar ek sath mile to
Guldasta ban jata hai
Kitni nadiyo ka sangam hi
Ek sagar kahlata hai
Phool agar ek sath mile to
Guldasta ban jata hai
Pyar se milkar rahne me hi
Jivan ka sukh milta hai
Agar ye alag alag ho jaye
To dukh hi dukh milta hai
Pyar se milkar rahne me hi
Jivan ka sukh milta hai
Agar ye alag alag ho jaye
To dukh hi dukh milta hai
Apna mel misaal bane
Dekhe ye duniya wale
Aate bate dahi chatake
Bad phoole bangale
Chak dhum chak chum gate gate
Aaja mauj manale
Chak dhum chak chum
Chak dhum chak chum
Chak dhum chak chum
Chak dhum chak chum.
