Aayi hai aaj to  
Holi khelenge hum  
Holi khelenge hum

Dubke rang mein bhul ke sare gum  
Aayi hai aaj to holi khelenge hum  
Dubke rang mein bhul ke sare gum  
Holi hai holi hai holi hai  
Holi hai holi hai holi hai

Khushiyo ka ye tyohar hai  
Rango ki kya bochar hai  
Khushiyo ka ye tyohar hai  
Rango ki kya bochar hai  
Har rang ke har rang mein  
Bas pyar hi pyar hai  
Bas pyar hi pyar hai  
Aayi hai aaj to holi khelenge hum

Holi jali jalke bujhi  
Ye aag kya dil me lagi  
Hum jal uthe dil jal utha  
Jalne lagi zindagi  
Jitne sitam jisne kiye  
Hamko ye gum jisne diye

Main bun to lu uska kafan  
Aa fuk du uski chita uski chita  
Lautkar phir aaunga rang ye barsaunga.
