## English]

Lowkey!

Ankhan tainu vekh vekh rajjiyan hi na  
Bull tere baare bol thakkde hi na  
Dil te dimaag ch tu aisa vass gayi  
Hor kise baare soch sakde hi na

Sachi kise kamm ch dhayan lagge na  
Mallo malli paindi rahve khinch sohniye  
Pata ni aisa ki ae tere vich sohniye  
Pata ni aisa ki ae tere vich sohniye

Allah da fazal aa jo mainu ae tu mileya  
Banjar zameen te sohna phool khileya  
Nazar noorani haaye mere ae habeeb di  
Dekhna main chanuda tainu thoda jeha kareeb di

Tu hi bas tu hi ek changi lagdi  
Duniya nu jaani baitha tich sohniye

Pata ni aisa ki ae tere vich sohniye  
Pata ni aisa ki ae tere vich sohniye

Jism ae mera ehde vich teri rooh ve  
Ankhan ne sitaare chann jeha tera munh ve  
Jadon vi main vekheya tareef teri nikli  
Rav hanjra di geetkaari vich tu ae

Jehda kade kise agge nai si lifeya  
Tere agge dil gaya bichh sohniye  
Pata ni aisa ki ae tere vich sohniye  
Pata ni aisa ki ae tere vich sohniye

Pata ni aisa ki ae tere vich sohniye  
Pata ni aisa ki ae tere vich sohniye.
