Teri tammna hai tera basera hai  
Dil ke ashiyaane me masuam ke aane me  
Masuam ke jaane me too har fasaane me  
Meri ruh talak too samaayi hai  
Meri ishk yeh gehraayi hai  
Mehsus karu tujhe har lamha  
Mere ehasaaso pe too chhaayi hai

Aafrin tera manjar aafrin teri baate

Pyaar yeh nibhaana hai chaahe jo ho

Tere hi armaan hai mere duwayo ki  
Har ajmaish me teri hi  
Bechaini din raat behati hai  
Saason ki khwaaish me  
Betaabi kaa woh aalam hai  
Tere dard me hi chain aata  
Hai tera chain bada bedardi hai  
Woh deke sukun tadpaata hai  
Aafrin tera chehra aafrin teri aankhe  
Aafrin tera manjar aafrin teri baate  
Tera pyaar paana hai chaahe jo ho

Pyaar yeh nibhaana hai chaahe jo ho  
Chaahe jo ho.
