Dulhan bulhan dekho koi
Dulhan bulhan dekho koi
Dulha man jodi aisa hoga
Kubda chadhe ghodi kubda
Chadhe ghodi aisa hoga
Han han hoga bhaiya hoga

Shkal vakal zara bhali si
Shkal vakal zara bhali si
Akal zara thodi aisa hoga
Kubda chadhe ghodi kubda
Chadhe ghodi aisa hoga

Haye us suray mein mushkil
Hogi budhu ke sang budhi
Us suray mein mushkil
Hogi budhu ke sang budhi
Pura chand aur paas bitha kar
Chand dikha kar samjhayegi
Gol hota hai yeh kyu hota hai
Yeh jo yu hai yu na hoto yu hota
Hai yu kyu jaise
Yeh jo yu hai yu na hoto yu hota
Hai kyu hota hai
Gol na ho to choras hoga
Aisa hoga

Tab surat bhi chapti hogi
Chopat hogi budhi
Tab surat bhi chapti hogi

Chopat hogi budhi
Har budhwar ko samne rakhkar
Path karenge raghupati ram
Ram ram ram ram tum jaisi hi
Sabko shirimati de bhagwan
Tum jaisi hi
Sabko shirimati de bhagwan
De bhagwan hone do
Phir jaisa ho aisa hoga
Dulhan bulhan dekho koi
Dulhan bulhan dekho koi
Dulha man jodi aisa hoga
Kubda chadhe ghodi kubda
Chadhe ghodi aisa hoga.
