## English

Smokin hot getting drugged  
Yaara naal baje pub  
Illegal mera trunk bandi teri kare jump  
Shaitan aithe bas appa nahi jithe rabb  
Ka chota kithe sab aa chakk aithe rakh

Smokin hot getting drugged  
Yaara naal baje pub

Teri post se kayi jyada bandi teri hot  
Player ace ho aage to kya karega bot  
Genda phool pe dekha maine uska tik-tok  
Iss baat pe to banta hai dena usse shot

Shot deke gayab jaise devil meri jaan  
Shot deke gayab jaise main hoon loca meri jaan  
Aaja nose pe chada doon tere koka meri jaan  
Aaja nose mein chada doon tere koka meri jaan

You know what i mean baby main hoon thoda mean baby  
Teri wajah se nahi bante gaane mujhse clean baby  
Sone nahi dunga chahe jitni aaye neend  
But khud hi chale jaana bajte hi saade teen baby

Cuz i need my space yaaro dosto ke saath  
Up hill ka hai plan chai peene hai kasaul baby  
You won't understand duniya chahe karna ban  
Phiir bhi i'm the fuc\*kn mad..

Aande bade call..  
Hun ho gaye sayane honge bade bahut  
Jhat horan di uthe chadde kaun

Mere uthe chadde tu  
Kardi pasand patte hare tu  
Tere piche soni dass jatt lade kyu  
Kudiya naal gall baat cut kari kyu

Tujhe le tu gaddi new  
Swarovski baby teri addi new  
Jehdi gal muh vichho ve kaddi tu  
Hoju poori bas munh chon na kaddi tu

Buri zubaan  
Mera andaaz  
Na unchi aawaz  
Suna main raj  
Rakhan main raaz  
Mera libaaj  
Dasse halaat

Tainu vi pasand hi auna  
Soch meri boss tu tan gandhi hona  
Meri kol chandi yo tan chandi sona  
Agar in hona to yo tan chandi rona

Saare dekhhan mainu  
Kehan munda kandi hona  
Baby karna ni tere naal marry wannna  
Tere ghar deyaan nu kahna ni pairpauna

Mera dil thanda jevein arizona

Dariyan vich tair ni hona  
Jihda hunde ni asool auhda vair ki hona  
Bachke flow to jehda eh ki hona  
Main chalan cheen vich meri app he hor ae

Life da bas math hi taud hai  
Karu ki rehke kaidi ghoda?
