Ve boldi ni jatti nakhra hi boldae,
Oh munda haaseyan de wichon mathe'ayi doldaе,

Oh boldi ni jatti nakhra hi boldae,
Ho munda haaseyan de wichon mathe'ayi doldaе,
Main rang chunni nu karaya atthwaan,
Te velly matching karaun jaan'dae,

Ve shaunk naar da harek pugdae,
Te jatt aakdan pugaun jaan'dae
Ve shaunk naar da harek pugdae,
Te jatt aakdan pugaun jaan'dae.

Ve mere ludhiana shehar ton print suit aunde ne,
Tohri jatt sare patiala cho the'aunde ne,

Ho charcha suni main hit jodi de group di,
Batth huni likhde te dhillon huni gaunde ne,

Ve gutt fadu koi daler gabru,
Dhillon hiq naal laun jaan dae.

Ve shaunk naar da harek pugdae,
Te jatt aakdan pugaon jaan'dae,

Haye ve shaunk naar da harek pugdae,
Te aakdaan pugaon jaan'dae.

Ve over clever 'an to jatti nu allergy,
Hukam sunaunda jatt puchda ni marzi,

Saheliyan ni keeti ae demand tainu lenghe di,
Ho pakka hi bathaa du thoddi p.g. Mooray darji,

Ve mehnga ishq kamauna chobra,
Te munda yaariyan kamaun jaan dae.

Haye ve shaunk naar da harek pugdae,
Te jatti aakdan pugaun jaan'dae
Haye ve shaunk naar da harek pugdae,
Te jatti aakdan pugaun jaan'dae.
