Come to my place baby  
I know you been wanting me  
Ladies gonna hate me more  
Aint got no time baby  
Nothing up for raiding me  
Interest in baiting me  
Ladies gonna hate me more  
Just turn around baby

Jee le tu aaj khushi se  
Jee le do masti ke pal jee le  
Bass daru ke gut pe le  
Pe le pe le
