## English

Kadir thind!

Rubal jawa!

Ho ni main soch rehavan  
Ek hummer main le lawan  
Posh area ch kothi vi main paa lawan  
Mehnge hotel ch kharch ke lakhan  
Ajj raat ni main party karaan through  
What you say girl?

Jehde maade time vich chhad gaye si  
Utto chadhde nu vekh sarh gaye si

Pin ford wine peewaan  
Gold de glaas vich  
Vairi feel kari jaan low  
What you say?

Ho ni main soch rehavan  
Ek hummer main le lawan  
Posh area ch kothi vi main paa lawan
