

Angaar Lyrics

English

Angaar hai
Sez on the beat boy

Ikka in the house baby!
Angaar hai
Raftaar!

Angaar hai
You know what time it is
Angaar hai
Let's go!

Khalballi har gully sansani mera flow
Paison ke saath khelo eni mini mani mo
10 khokha saat gaya tera ek mere do
Tu kare di** bro main karun mind blow

Mind blow karun jahan kahin show karun
Jo bhi tu karta mein uss se bhi wo karun
No karun jahan negative log raftaar mere sath
Raftaar sabki slow karun iss game mein hai

Name jaake fame mera pooch tere bars thode lame
Tabhi aim raha chukk tu pakad ke khadda
Apne maalik ki poonch tere maalik ka maalik
Kaun maalik se poonch

Meri new school gaadi mein old school beat chale
Aadi dost maal malein raat bhar jaam chale
Rokega naake pe taauji ka naam chale
Tora dekha bhai ka re kitno ki ga** jale

Ghamand hai kiss baat ka tujhe ghamand hai
Tere talent ke chuhle pe thand hai
Jyada phelega muh pe ghusand hai tu jhand hai

Saiyam se seekha sambhalna
Aage niklanaa rap ibadat meri mera kalama
Seekha hai kaaton pe chalna
Seekha naa apno se jalna
Apno se khushi apno pyaar hai

Phir chahe golu ya phir wo raftaar hai
Sabse hai pyaar jo bhi jamnapar hai
Jo jamnapari wo pariwar hai

Angaar hai shabd mere sholay bhara

Sholo ka bhandhaar hai
Kodiyon ke bhav teri kala bhangaar hai
Mera gaana drop mere fans ka tyohaar hai
Khudda ka propkar hai zero ahankaar hai

Ghumne ke liye shun shan lambi car hai
Hood waai baatcheet meri jamnapaar hai
Poore jamnapar mein bas apna hahakaar hai
Ikka baitha beamer mein
Aur benz mein raftaar hai

Yeh pyaar hai dus saal baad
Poori beat pe do yaar hai
Har baat saaf
Gale mile gile bahar hai
Aur baat khas paas mere
Cheerne ko teesra taiyaar hai
To dhakka ni bhai
Dus saal se sambhal ke jama
Ki golu ki chat wali vibe

Hadh pyari vibe pichli jo mili
Toh agli me samjha du ab wali life

Shakur pe shaq karte shakkar ki shakkal ke
Bhaiyo ki bhassad mein teeja na dakkhal de
Thakur ki nasal ke masal du thappad mein
Akkal mein bhusa toh ghoosa le knuckle se

Buckle jo utri toh chapu me baggal mein
Chotte bhi cheetenge pakkad ke chappal se
Upar ko kheechnon toh neeche ko dhakkal te
Awall na bante hain dooje ki nakkal ke

Yehh pubg ka drop
Groza milegi aur 8 wala scope
Udega squad jo pade grenade
Doon maathe pe mortal
Aur scout sa shot
Main height pe bohat toh
Spot pe locked hu
Bot se launde pan se rokk du
Fadde to gadde erangle me khodd du
Chidi jo ude to pros ko thok du

Baatein hai clear
Ikka aur golu hai jiggar ke near
Itna main bolu na fikar na fear hai
Teeno barabar kya raja wazir
Inpe jo baat to munh pe raseed
Du banega rang jo mil baithe veer
Peeche aage square bichchu ka spear
Fatal hai blow get over here

Angaar hai shabd mere sholay bhara
Sholo ka bhandhaar hai kodiyaon ke bhav
Teri kala bhangaar hai mera gaana drop
Mere fans ka tyohaar hai
Khudda ka propkar hai zero ahankaar hai

Ghumne ke liye shun shan lambi car hai
Hood waai baatcheet meri jamnapaar hai
Poore jamnapar mein bas apna hahakaar hai
Ikka baitha beamer mein aur benz mein raftaar hai

Flow mera from timbuktu
Mein shabdon ke sath
Khelon peekaboo
Main bekaboo like jackie chan
Tu hai kaboo mein like pikachu

Abey shakkar rap tera phikka kyun
Lagwale rap waala tika tu
Tum hip hop pe lagge kitaanu
Main tumko mitaane wala parmanu
Abe chu bol bachan band kar

Bachan ki taraha main bana apne dum par
Main hoon mehal tu beta khander
Isharon pe nache tu wo kala wala bandar
Main hoon lakhan tu hai bhishmbhar
Tu choti naali mein bada samandar
Ye album itni underground
Jitna apocalypse ka bete bunkar

Main hoon pahad ke se hai kankad
Panch zero lagte ab aage rakam par
Bha se bhayankar jai shiv shankar
Bhole ki boli toh seedha bhasam kar
Bhai teri kala mein apni charam par
Nokila khanjar bheje ke ander
Choadi lagam jo maine kalam par
Kalam kalam kar kissa khatam kar

Main peter parker
Tere muh mein jaale jhaad kar
Tujhe maar kar tu haar kar
Giraa perron mein aakar
Tu is saal aaram kar
Mein is saal bhi kaam par
Tere rehpet rehpat hain kaan par
Tera bhooth banadu doonga bhangad

Angaar hai shabd mere sholay bhara
Sholo ka bhandhaar hai
Kodiyon ke bhav
Teri kala bhangaar hai
Mera gaana drop
Mere fans ka tyohaar hai
Khudda ka propkar hai
Zero ahankaar hai

Ghumne ke liye
Shun shan lambi car hai
Hood waai baatcheet
Meri jamnapaar hai
Poore jamnapar mein bas
Apna hahakaar hai
Ikka baitha beamer mein
Aur benz mein raftaar hai.
