

Angad Lyrics

English

Bas thi sangeet ki sangat
Ab thodi sangeen hai sangat
Legato lagaate lagaate
Laga dali lanka ab lagte hai langar

Hunger
Rehti mangal se shankar
Main man main hila du jungle
Jahan sab ko milte hai cold feet
Maine apne pair jama diye, angad

Trahimam trahimam
Boss fight bhai thalaivar
Meri chalti hawa ke kal the gawah
Aaj karte sawal jaise lenge mera viva

Buddhi se hai 16 ka tu
Dilhi ka chhora na ho raha kaabu
Chaahe ghoda ya rook maine moda hai rookh
Kehte thoda toh ruk maine chhoda na route

Ghaav milega baaton se gehra
Zara gaur se sunn main kya keh raha hoon
Patti rap ka king, pharaoh
Baal khule toh dikhenge bhairo

Hater aane lage thok ke bhaav
Main rok ke bhaav
Seedha karun inhe muh pe ignore
Damn diya maine ek bhi nahi
They're fake beneath,
I'm making green jaise lou ferrigno

Label bole mujhe superhit do
Fans bole apna naam mere upar likh do
Brands bole mere joote ghis do

Main baitha manali mein kar raha dhoop mein chill bro

Zor laga liya logo ne
Neeche nahi la pa rahe mujhe
Zor laga le tu thoda aur
Bola ni papa ne tujhe

Jo bhi galat hi zubaan chalaate hai
Mujhe karze utaarne aate hai
Maine tuition diye hai 12vi ko
Mujhe bacche sudhaarne aate hai

Saude se pehle tu 100 de bro
Mehnat ke aage hai qismat fail
Haath hila ke tu raazi nahi aur
Tere lang lakaar hai qismat mein

Tere pair bhaari hai tabhi god bhari hai
Tera bhai chup tabhi saare bol pa rahe hai
Jaise baichung, maine saare goal maare hai
Jaise kaiju, saare sheher khauf kha rahe hai

Jaise katju, saare piss off kare hai
Tera bhai hard, baaki saare soft khade hai
Hua tera boy caught jaise geoffrey hai
Tere jaise 2 rakhe hue naukri pe

Tere se pehle bhi dher saare the enemies
Aate hai group mein saale failate pandemic
Tuney nahi jaana kahin, pehle jalale calorie
Fotty se faaltu faile file hogi felony

Jade hai andar tak hila ke dekh le
Pakad hai proper haath mila ke dekh le
Halaat kar dete mazboor aisa bann ne ko
Seekhta nahi koi duniyadari ma ke pet mein

Na hobby na plan b
One man clan nahi, one man family
Kari jo ungal toh ab hoga sehan nahi
Teri ma ki groot, rip stan lee

Nothing to lose, bhar chuka bag
Gaane nahi likhta, darj hote facts
Desi hai karte nahi kharcho pe sweat
Makke ki roti, sarso ka swag

Lambi race ke ghode chale dhai kadam
Gale mein jaan chahiye nahi mic mein dum
Chhote mein tune nahi khaye badaam
Fir bhi tujhe yaad hai na kya hai tere bhai ka naam

Naam 47 hai
Let's go

Bas thi sangeet ki sangat
Ab thodi sangeen hai sangat
Legato lagaate lagaate
Laga dali lanka ab lagte hai langar

Hunger
Rehti mangal se shankar
Main man main hila du jungle
Jahan sab ko milte hai cold feet
Maine apne pair jama diye, angad.
