

Ankhiyaan Lyrics

English

Yo raxstar, yeah,

It's easy to say you love me,
Harder to mean it,
It's harder to be humble,
Easier to be conceded,

What happened to be indecent,
And think it before you speak it,
Listen, let's go,

Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
Only the lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,

It's easy to say you love me,
Harder to really mean it,
Easy to say you want something,
Harder to try and keep it,

It's easy to tell me that,
I'm so easy to forget,
It's harder to wipe the memories,
That once inside your head,
It's east to say you change,
When you clearly haven't,
It's harder to learn from all your mistakes,
Before they happen,

It's easy to blame me,

Easy to put my flaws out,
Harder to look at yourself and admit,
When you've been caught out,
Who are you to judge,
Like ain't ever made mistakes,
Like you ain't ever wanted to back in time,
And change your thing anh,

We took for granted,
What was given at you,
Struggling to make that decision,
So let me make it easy for you,
The hardest thing i've done,
Is promise you the future,
When i know i'm not the one,
I know you felt that pain,
Like i shot you with a gun,
So, strange is what we must become, go..,

Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,

Only the lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,

It's easy to break a heart,
Harder to fix it,
May be it's impossible,
When it's hard to admit it,
It's easy to start at the beginning,
And force oh you did that,

You can't function without it,
Like a piece of your heart is missing,

It's hard to break free,
Out in a blaw that is prison,
No one ever gets back,
What they for admission,

And now your friends wanna get involved,
And they don't listen when you tell 'em no,
Angel, when we fight it's like a devil roar,
If you love her you should let her go,

How we take for granted,
What was given at you,
Struggling to make that decision,
So let me make it easy for you,
The hardest thing i've done,
Is promise you the future,
When i know you're not the one,
I know you felt that pain,
Like i shot you with a gun,
So, strange is what we must become, go...

Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
Only the lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,

Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,

Only the lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle,
The lord knows,
Akhiyan ne akhiyan nu,
Rab jaane kyun diye faasle..
