Akha de na sapne mere rondene

Sajda juda roj main kara  
Naam mai usda rooh vich para  
Labda phira noor yaar da  
Naa main usda rooh vicha para  
Usde rang vicha rangya mann mera  
Usde rang vicha rangya mann mera  
Ki hai patta dasde rabb tu jaane  
Akha de na sapne mere rondene

Galiya roohdiya suniya sariya  
Karvi deta khushiya meriyan  
Haq ye mera kyun tu maarda  
Dard e mera duniya ko judaa  
Yaadaan ne oddiya o jaan lendiyan  
Yaadaan ne oddiya o jaan lendiyan  
Ki hai patta das de rabba tu jaane  
Aankhan de naal sapne mera rondene

Na jaane kitthe hovegi chanvargi  
Na jaane kitthe chanvargi  
Sun le ikvaari tu meri arzii  
Sun le ikvaari arzii

Na jaane kitthe hovegi chanvargi

Sun le ikvaari tu meri arzii
