

# Asal Khel (Title) Lyrics

## English

Yeh samay yatra hai  
Chal sattar ke raasto ke beech  
Jahaan na koi  
Bhed bhaav na koi  
Gora na kaala na uccha na neech  
Aadmiyat ke naam pe de rahe  
Attyachar aur fir bhi hum dheet  
Ukhaad le jo ukhaadna hai  
Khel ke aage na hogi kissi ki jeet.

Asal khel hai yeh  
Iss khel ke khiladi hum  
Aasaan samajh na chote  
Sabse bade khiladi hum

Asal khel hai yeh  
Iss khel ke khiladi hum  
Aasaan samajh na chote  
Tu jaali aur sab pe bhaari hum

Adbhut shakti yeh 5 mukhya tatvo ke  
Angaaro ke saath bujhaane badle ki aag,  
Jee gaye woh asli aur mit gaye woh jhaag  
Khel yeh uss taale ki chaabi,  
Khule bheetar khatam sab vinaashkaari  
Sadak se aaya yeh khel iss khel ko  
Asal rakhna humaari zimmedaari

Aaye hai karne kuch hatkat  
Datkar karne kuch bhaari scene jamkar  
Bhaukne waale kutte bohot  
Ekta se ladenge nahi hoga batkar  
Dharam hai na koi jaat teri soch tu sochle  
Kis taraf muda hai jab tu kala se juda hai  
Toh dhundhle khud ke bheetar basa khuda hai

Jahaan insaan ki soch rukhe  
Khel ki shuruvaat hai  
Shuruvaat hi aisa, kehne ki kya baat hai  
Gazab kalakaari public pagal hori apni mehnat jaari  
Kaise kar lete hai yeh sochke  
Vegyaanik logo mai chaahi hairaani

Fader upar niche aur hum sab aage duniya peeche  
Peeche  
Treble aur bass ka dhamaka todh de  
Saare bicchke kaale sheeshe  
Mol nahi anmol hai  
Yeh isske imaan ko na muft mai beche  
Fir bhi log kitne neech hai  
Jo farzi mukhoto ke piche shaitaan  
Apno ke pairo ko kheeche

Asal khel hai yeh  
Iss khel ke khiladi hum  
Aasaan samajh na chote  
Sabse bade khiladi hum

Asal asal asal khel  
Asal asal asal khel

Asal khel hai yeh  
Iss khel ke khiladi hum  
Aasaan samajh na chote  
Tu jaali aur sab pe bhaari hum

Stunts nahi moves kehte  
Duniya ghum jaaye aisi taakat rakhte  
Haqq paane ki zidd karte  
Mil raha kuch nahi beh raha rakht hai.  
Dekh tiranga lehra raha garv se  
Lyricsbogie.com  
Harr ek hindustani kahega gaurav se  
Olympics mai bhi aa gaye ab toh  
Fir bhi log pehchaane bandar ke khel se

Chamakte sitaaro ko pure brahmaand se

Mitaane kaale badal garajte agyaan se  
Kitne bhi barse ye kaali raatien  
Indradhanush ke yeh baan chalte  
Abhimaan se ghandagi se sansaar bhar raha  
Mitaane ungliyon se jaadu kar raha  
Nisvaarth hai kitne duniya badalne  
Apna chehra naam chupa raha

Shabdo ke samundar mai doob  
Gehraayi jab naapega asliyat ko tu jaanega  
Andar jitna tu jaayega  
Seekhle tairna warna kinaare pe aayega  
Chahat badlaav ki  
Log apnaayenge ya nahi darr ki aahatien  
Tab remo aur ranveer dono maharati full power support mai

Waqt badlega paasa paltega  
Jalta diya andhere mai roshan kardega  
Gully se town tak street se club tak  
Dekh har jagah bajega itihaas rachega  
Rango se khafa the ab holi manaayenge  
Gali dene waale bhi apni boli macchayenge  
Darr se maa baap ka haath na buraayi ka khaatma de  
Meri antar aatma ko shaanti parmaatma.

Tu jaali aur sab pe bhaari hum
