

Ashke Ashke Lyrics

English]

Gur sidhu music!

Bathinde aale daily mithiye
Daango daangi hunde ne
Teri gutt khanjoori wangu
Geet munde de gunde ne

Ho phirde aa kharmaste
Kithe saste darshan dinde ne
Apne coverage kshetra vich
Na farkan dinde parinde ne

Ik taan naa kaptaan munde da
Duja kehnde lamb kude

Ashke ashke ashke

Ashke ashke taur kare
Te lishku lishku rang kude
Jattan de mundeyan de check kar
Saare feature bamb kude

Ashke ashke taur kare
Te lishku lishku rang kude
Rang kude

Ashke ashke ashke

Hawa ch maare fire ni maare
Hawakhoran de haandiye
Gabru ton anjaan tu bhavein
Math chemistry jaandi ae

Vail paap te risk rakane
Gutt ton fadd ke turra aa
Rapid teri chaal te sadha
Maal slowly khurda aa

Ho baneya ni koyi saani
Dekh toofani gallan yaar diyan
Moti teri ankh wargiyan

Light an saddi car diyan

Karte tehas nehas billo
Kitta jithe clash billo
Fab look aa teri saddi
Tikhi aa mushtash billo

Gadd yaar te gun rakhi aa
Gaadar guddi ambar te
Khashiyan zero aaun rakaane
Gabbru de call number te

Kayi kamman vich bahle khulle
Kayi thaan maare sang kude

Ashke ashke ashke

Ho ashke ashke taur kare
Te lishku lishku rang kude
Jattan de mundeyan de check kar

Kamm kalaute khande gote
56 inch da seena ni
Dabb ch barham astar aa balliye
Paaiyan denim jeanan ni

Ho jihnu hove chakkna pehlan
Phone te ghanti dinne aa
Jehde sadde nal rehng
Naal guarantee dinne aa

Ankh rakhde kude shikaran te
Na na na na mutiyaran te
Chadh jaane aa car an te
Jad sooi jhad di 12 te

Keharvaan tera husan rakaane
Meharbaan rabb yaaran te

Hor na talli kardi kar lai
Ankh di bottle band kude
