

Awaara Lyrics

English

Ghoomein hum gali gali ghoomein
Gaali aur chewing gum muh mein
Delhi basti hai rooh mein
Awaara hai hum

Khatre mein competition
Har din hai celebration
Na koi destination
Awaara hai hum

Nashe mein tha nawi utri ho team koi
Jaise arjun koi jaise bheem koi
Hater'on ki phat gayi ek baar phir
Chali na inki scheme koi

Social media pe chalte hai campaign
Mere khilaaf khareede huye fan page
Mere khilaaf club mein khulti hai shampion
Meri haar ke naam pe

Lekin maine haar ki photo pe haar chadhaya
Paise se zyada maine pyar kamaya
T*tte ke neeche inki jal gayi candle
Case karaya maine kar liya handle

Sath teen char yaar har din
Dimsi se jo bhari bar har din
Badshah hai bas ek, kehne ko paida
Hote hai yahan star har din

Ghoomein hum gali gali ghoomein
Gaali aur chewing gum muh mein
Delhi basti hai rooh mein
Awaara hai hum

Khatre mein competition

Har din hai celebration
Na koi destination
Awaara hai hum

Koi pehne nike pehne suit free mein koi
Jee rahe hain hum jaise dream koi
Paise kare blow chehre kare glow
Face pe lagi jaise cream koi

Fair and lovely nahi boy
Unfair and ugly hai yeh game
Bad boy shot 2002 mein jaisa tha
2020 mein bhi same

Twenty twenty khelun one day mein
Lyricsbogie.com
Game kiya poore ante mein
Sabka time aayega par yeh time mera hai
To aake baith jao saare mere ghante pe

Fake fan page se mile gaaliyan
Subah milte hai phool aur taaliyan
Peechhe laal neeli light wali gaadiyan

Coldplay chale gaadi mein loop par
Koi puchhe to keh dena muh par
Hum rehte hai taaron ke upar
Awaara hai hum

Ghoomein hum gali gali ghoomein
Gaali aur chewing gum muh mein
Delhi basti hai rooh mein
Awaara hai hum

Khatre mein competition
Har din hai celebration
Na koi destination
Awaara hai hum.
