Bhuri ankho ka ik ladka tha
Nili ankho ki ik ladki thi
Bhuri ankho ka ik ladka tha
Nili ankho ki ik ladki thi
Pehle din hi mile the jab dono
Ik chingaari jaise bhadaki thi
Naam isaka hi toh jawaani
Hai jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai

Jab muhabbat badhi toh baat badhi
Jine marne ka uname waada huwa
Jab muhabbat badhi toh baat badhi
Jine marne ka uname waada huwa
Abb toh dono ko ek hona hai
Yeh kasam khaayi yeh iraada huwa
Chaahat hoti hi hai kuchh deewaani hai
Jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai
Unako samjhaya ek budhe ne
Ek pahaadi pe tum jo jaaoge
Unako samjhaya ek budhe ne
Ek pahaadi pe tum jo jaaoge
Pi ke uss kuye ka paani tum

Aarjoo jo karoge paaoge
Uss kuye ka kuchh aisa hi paani hai
Jack n jill ki ek kahaani
Hai jack n jill ki ek kahaani hai

Jack n jill pahaadi par toh gaye
Apani manjil magar woh pa na sake
Jack n jill pahaadi par toh gaye
Apani manjil magar woh pa na sake
Iss mohabbat ka kya huwa anjaam
Iss mohabbat ka kya huwa anjaam
Roye bin koyi bata na sake
Roye bin koyi bata na sake
Yaad hi unaki ik nishaani hai
Yaad hi unaki ik nishaani hai
Jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai
Baat kehne ko toh puraani hai
Baat kehne ko toh puraani hai
Jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai
Jack n jill ki ek kahaani hai
La la lalla lai lai lai lai lai
Lai la la lalla lai lai lai lai lai lai.
