

# Baat Kya Hai Lyrics

---

## English

Baat kya hai baat kya hai  
Baat kya hai baat kya hai

Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Kyon zindagi ka haal muhaal hua hai  
Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Seene pe jaise bojh yeh saal hua hai  
Chaar diwaari mein kyun saansein  
Umra guzaar rahi hain  
Lagta hai jaise koi karz utaar rahi hain

O dheere dheere katti yeh saza hai  
Jaane kaisi rab ki yeh raza hai  
Sab kuchh hai magar kuchh toh kami hai  
Jeena aise jeena bemaza hai ho wo

Deemak laga har khushi mein  
Lagti hai sabhi kaagazi kaagazi..o..  
Saans ki garam chakariyan kyun  
Phoonkane lagi aag si aag si..o..  
Hasti..hasti..meri..meri simti si hai kursi  
Sapne mere hain daftar ki arzi mein  
Dheere dheere katti yeh saza hai
