

# Baby When You Talk To Me Lyrics

## English

Dil ke jo bhi raaz thay  
Khul rahe hain,  
What a feeling  
Neendon mein jo khwab thay  
Jag rahe hain,  
What a feeling  
Dil ki raahein, dikh rahi hai  
Taare jo saare bane hai zameen  
Jo bhi tha maanga, mil gaya hai  
Jab se tujhpe kiya hai yakeen  
Tujhko jab se maanga hai,  
Haathon ko jo thaama hai  
Baaton hi baaton mein yeh hua  
Baby when you talk to me,  
Lyricsbogie.com  
Manzil mili gali gali  
Baby when you walk with me  
saadi rail gaddi chali chali

Taare sab hai ghul gaye  
Roshni mein, what a feeling  
Sarae gum badal gaye hai  
Khushi mein, what a feeling  
Khoye thay hum toh,  
Khud hi humse  
Ik hi tumse mile hai yahin  
Saare hi lamhe, gire thay pal se  
Dekho na kal se mile hai yahin  
Tujhko jab se maanga hai,  
Haathon ko jo thaama hai  
Baaton hi baaton mein yeh hua  
Baby when you talk to me,  
Manzil mili gali gali  
Baby when you walk with me,  
Saadi rail gaddi chali chali

Tum yeh maano ya na maano  
Dekho bekhbar tum thay  
Meri manzilon ke raaste hi  
Tum mein hi gum thay  
Dil ka kaise mile pata  
Jab tum hi thay laapata  
Ab humse toh na chhupa jo raaz hai  
You' ll be maybe  
Baby when you talk to me  
When you talk to me,  
Manzil mili gali gali  
Baby when you walk with me  
When you walk with me,  
Saadi rail gaddi chali chali  
Baby when you talk to me  
When you talk to me,  
Manzil mili gali gali  
Baby when you walk with me  
When you walk with me,  
Saadi rail gaddi chali chali.
