

Backstab Lyrics

English

Utton changa changa sound karde
Sale aiven fck around karde
Utton changa changa sound karde
Sale aiven fck around karde

Oh koyi ni kise da jhinjera
Gallan gallan vich bound karde
Main tuttde bharose dekh laye
Dilan vich khaar ho gayi

Oh enne war hoye peeth te
Peeth jung da maidan ho gayi
Oh vechte zameer lokan ne
Gall samjho hi bahar ho gayi

Ho gallan mithiyan da paunde parda
Kitti daga nu lakaun vaaste
Oh banda apneya hathon lutt je
Taan modde labhde na ron vaaste

Phir aunda na sawad jeen da
Je yaari sirr utte paar ho gayi

Oh enne war hoye peeth te
Peeth jung da maidan ho gayi
Oh vechte zameer lokan ne
Gall samjho hi bahar ho gayi

Oh dukh is gall da ki dil tutteya
Khushi is gall di ki ankh khul gayi
Seene naal kinne lage gine ni kade
Te vaar kinne hoye meri
Peeth bhul gayi si

Deep jandu!

Oh khali jeb mada daur bande nu
Chehre asli dikhaunda lokan de
Aise samey tu jan yaariyan
Lahu peen picho wang jokan de

Oh papi ya faqeer banda
Jihdi rooh taar taar ho gayi

Oh enne war hoye peeth te
Peeth jung da maidan ho gayi
Oh vechte zameer lokan ne
Gall samjho hi bahar ho gayi

Oh shuru vich naal chale kaafila
Ik addha reh jave akheer nu
Ho jinha layi loka naal bhid gaye
Oh maahda dasde ne kulbir nu

Oh jaandi wart ke chadd duniya
Bhali hoshiyar ho gayi

Oh enne war hoye peeth te
Peeth jung da maidan ho gayi
