Tere bheege badan se
Hatati nahi meri aankhein
Ek ho gayi saathi
Teri meri meri teri saansein
Saawan jab jab aata hain
Aag jeeya mein lagata hain
Baat bigad na jaaye
Chhod de mera hath

Hone lagi barsaat

Chha raha hain mere dil pe
Dheere dheere meetha meetha jaadu

Hain nasha mohabbat ka
Mujh pe nahi hain mera kaabu
Chha raha hain mere dil pe
Dheere dheere meetha meetha jaadu
Hain nasha mohabbat ka
Mujh pe nahi hain mera kaabu
Hosh mein na ab jawaani hain
Pyaar se lipata paani hain
Masti mein hum dono
Basm mein nahi hain zajbaat
Badal garja bijlee chamki
Badal garja bijlee chamki
Hone lagi barsaat

Badal garja bijlee chamki
Badal garja bijlee chamki
Hone lagi barsaat
Karni hain jo hum ko
Karni hain jo hum ko
Karne de woh baat
Badal garja bijlee chamki
Badal garja bijlee chamki
Hone lagi barsaat
Haan hone lagi barsaat
Haan hone lagi barsaat.
