Look look left look look right

Kar le apni jeans pant tight

Look look left look look right

Kar le apni jeans pant tight

Tere noteon ko naap ke aur tol

Tujhko bechenge

Kagazon ke mol

Bachke bachke

Yeh badmash company

Badmaash hey hey hey

Badmaash hey hey hey

Badmaash hey hey hey

Yeh badmaash company

Badmaash hey hey hey

Badmaash hey hey hey

Badmaash hey hey hey

Yeh badmaash company

Look look left look look right

Karle apna batua hide

Look look left look look right

Karle apna batua hide

Dhed shaane ko hum saba kar de

Teri poonji ko hum hawa kar de

Bachke bachke

Yeh badmaash company

Badmaash hey hey hey

Badmaash hey hey hey

Badmaash hey hey hey

Yeh badmaash company

Badmaash hey hey hey

Badmaash hey hey hey

Badmaash hey hey hey

Yeh badmaash company

Aye saale lafange  
Spanish mein compadre  
Say yeh duniye se  
Duniya se hum nahin  
Catch us if you can  
Hum khade hai chaar yahin  
Daru in my hand  
Cash and my sexy girl  
Knowing what i want  
To take it over the world  
Hold on to your fast cars and  
Your flashy jeans coz  
I'm coming after you  
You are the next ooo  
Hey ho hey ho hi  
Paisa bana le bhai  
Duniya ko loot le bhai  
Hey ho hey ho hey hi  
No drugs no guns no crime
