Hum sarre har dam
Rawen adh mauj mein
Tere jaise 100 100 rawe khoj mein
Kar muqabla dekhe kisi ke aukaat
Kiski ke visaat kiski kai hai baat
Mahri jaga aur koi le ni sakta
Is fateh pe har dum mahra hakk ae
Yaari kare aur uski puri gaath ja
Maare agge acha ache ki bhi paat jaye
Sari duniya hamme naam se pehchanti
Aur je duniya mahre kaam ne bhi jaanti
Kitne aaye mahre aage koi na tik paya
Kitne karre khatam kitne vech khaye
We are on the top baat meri maan le
Na de tera number isne tu jan le
Mahre jaisa na koi aaya
Na koi awega
We are the real king
Aur koi kabh awega

Ho monty jahe yaaran naal yaari saddi pakki aa
Ho ikk rann bhi donali jahi mitran ne rakhi aa
Ho monty jahe yaaran naal yaari saddi pakki aa
Rann bhi donali jahi mitran ne rakhi aa
Ho jehdi dilli mitran da rehndi
Ho jehdi dilli mitran da rehndi shatto ver thardi
Dilli takk
O dilli takk challe badmashi tere yaar di
Dilli takk
Ho dilli takk challe badmashi tere yaar di
Dilli takk
Ho dilli takk challe badmashi tere yaar di
Dilli takk...
