

Badtmeeji Lyrics

Haan turrde ne kinne jaan mathe wadd du
Chad ji na jatta kise bhaide hath nu
Bol bani ke ni oh naah tameez jande
Utto jamme eh pehla hi bade khabbe jatt nu

Rhende shokeena aiven laa na schema
Shami bhar bhar afeema wale gapphe chalde

Oye talja tu veer mere tatte chalde
Gore dabba ch oh laad naal dakke chalde
Talja tu veer mere tatte chaldae ve

Oh fukraan naal khenda ni
Te khapran ton lainda ni
Main lucifer wargha subaah rakha ae

Oh saah naal aude kade saah ni rale oye
Dhar dhon utte goda jehda thaa rakheya

Sochde ni muho kuch futtan lage

Oh badi badtmeeji karde aa kuttan lage
Oh ethe hunda ni lihaaz jithe mukkamn lage
Oh badi badtameezi karde aa kuttan lage

Mooch thoddi bharmi te ankh rehndi khadmi
Machde ne jhote hai ni khoon vich narmi
24 ghante dabbe volcano wangu rehan
Ho aundi nahi koyi gal ve saleeke naal karni

Haan ji ek gal dassa maan kardi ae lattan
Jado wadhon wadhi vair kanni nithe chalde

Oye talja tu veer mere tatte chalde

Gore dabba ch o laad naal dakke chalde
Talja tu veer mere tatte chalde ve

Oh kalliyaan te jotheyaan ch
Khareyan te khoteyaan ch
Jhootha te jotheyan ch pade donge antar ne

Oh modi je sphere part
Pyar de ne ghat par
Mann ne layi hadd bade
Kismata deyant ne

Oh reejh naal bagane jadon hath ferde
Oh main khya reejh naal bagane
Jadon hath ferde
Den tann ke jawab lattan uthan lage

Oh badi batmeezi karde aa kuttan lage
Oh ethe hunda ni lihaaz jithe mukkamn lage

Oh muddo assi vi bandooka de putt paale ne
Enna kirpana naal je oh khainde ne
Oh nimbh ke pyar naal gall turr je
Nahi taan dharam naal edhrle bande tedhe ne
