Bolo hanumaan ki jay jay
Jay bajarag bali ki jay

Tujhase bada na koi,
Tu hai bada mahan
Jay ho jay ho teri jay ho,
Jay ho teri hanuman
Ram base hai dil me tere,
Tu rahta hai mann me mere
Tune kar di kripa teri shakti mili

Bali bajarang bali teri jay ho
Tujhase bada na koi,
Tu hai bada mahan
Jay ho jay ho teri jay ho,
Jay ho teri hanuman
Ram base hai dil me tere,
Tu rahta hai mann me mere
Tune kar di kripa teri shakti mili
Bajrang bali bajarang
Bali bajarang bali teri jay ho

Jay hanuman gyan gun sagar
Jay kapish tihu lok ujar
Raamdut atulit baladhama
Anjaniputra pavansut nama

Tune vo bal diya hai mujhko
Parbat se takraa jaau main
Jay ho teri jay ho
Teri bhakti aur shakti se har
Vipda pe chhaa jaau main
Jay ho teri jay ho
Log bajaee tera daka

Jaise tune phuk di laka
Log bajaee tera daka
Jaise tune phuk di laka
Vaise hi main todu dushman ki nali
Bajrang bali bajrang
Bali bajrang bali teri jay ho

Duniya ko dikhla dunga main
Kitana sachcha bhakt hun tera
Jay ho teri jay ho
Paap mita dunga dharati se
He balshali pran hai mera
Jay ho teri jay ho
Ye sab tera chamatkar hai
Mujhpe tera adhikar hai
Ye sab tera chamatkar hai
Mujhpe tera adhikar hai
Jisane bhi dekhaa sabki aankhe khuli
Bajrang bali bajrang bali
Bajrang bali teri jay ho
Tujhase badaa na koi,
Tu hai bada mahan
Jay ho jay ho teri jay ho,
Jay ho teri hanuman
Ram base hai dil me tere,
Tu rahta hai mann me mere
Tune kar di kripa teri shakti mili
Bajrang bali bajrang bali
Bajrang bali teri jay ho
Bajrang bali bajrang bali
Bajrang bali teri jay ho
Bajrang bali bajrang bali
Bajrang bali teri jay ho.
