Lage nind mein dolu mai
Pag mora bahake re
Balma, balma mora aanchara

Dil ko mere chhu le tere badan ki
Ye kushabu suhani
Dekho dekho chhupake nache lahu me
Umange deewani
Dil ko mere chhu le tere badan ki
Ye kushabu suhani
Dekho dekho chhupake nache lahu me
Umange deewani

Gati man me ras ki dhara
Jhume ang ang sara
Machale jiya matavara
Jhume jhume palake jadu jagaye
Chori chori dekho hamko bulaye
Jhume jhume palake jadu jagaye
Chori chori dekho hamko bulaye
Aankho pe chhaye tere palako ke saye
Balma mora aanchara mahake re
Lage nind mein dolu mai
Lage nind mein dolu mai
Pag mora bahake re
Balma, balma mora aanchara

Chupke chupke dekho sab kuch to kah de
Simatati ye bahe
Nichi nichhi nazarn kya kya na mange
Ye kya kya na chahe
Chupke chupke dekho sab kuch to kah de

Simatati ye bahe
Nichi nichi nazarn kya kya na mange
Ye kya kya na chahe
Lagi tan me mithi jwala chhalkati
Nayan se hala
Kya jane kya kar dala
Lagi tan mein mithi jwala chhalkati
Nayan se hala
Kya jane kya kar dala

Thandi thandi dekho chanchal hawaye
Kabhi chume kabhi sine lagaye
Phir hum se ye haye kahe daman bachaye
Thandi thandi dekho chanchal hawaye
Kabhi chume kabhi sine lagaye
Phir hum se ye haye kahe daman bachaye

Balma mora aanchara mahake re
Lage nind mein dolu mai
Lage nind mein dolu mai
Pag mora bahake re
Balma, balma mora aanchara.
