Barat mein log kam aaye hai
Barat mein log kam aaye hai
Magar gum ka kar sath hum aaye hai

Nikle the ghar se
Nikle the ghar se jab sab barati
Piche the ghode aage the hathi
Nikle the ghar se jab sab barati
Piche the ghode aage the hathi
Rashte mein rah gaye lekin wo saathi
Rashte mein rah gaye lekin wo saathi
Sab nachte cham cham aaye hai
Magar gum na kar sath hum aaye hai
Hum aaye hai

Tu chupi hai kaha aawaz de

Dulha chupa hai sehre ke piche
Chehra chupa hai chehre ke piche
Dulha chupa hai sehre ke piche
Chehra chupa hai chehre ke piche
Bas baki sath mein fere le piche
Bas baki sath mein fere le piche
Ghar chod kar hum saram aaye hai
Magar gum na kar sath hum aaye hai
Hum aaye hai

Dekho parbhu ki
Dekho parbhu ki hai sari maya
Kaun aane wala tha kaun aaya
Dekho parbhu ki hai sari maya

Kaun aane wala tha kaun aaya
Kismat ka likha mitne na paya
Kismat ka likha mitna na paya
Babul ke ghar mein balam aaye hai
Magar gum na kar sath hum aaye hai
Ha hum aaye hai
Barat mein lug kam aaye hai
Magar gum na kar sath hum aaye hai
Hum aaye hai.
