Parvatoh pe thandi
Barfan barsan lagi re
Parvatoh pe barfan barfan
Parvatoh pe thandi
Barfan barsan lagi re
O re beliya o re beliya
Lautiyo ghara re
O re beliya lautiyoo ghara re
Parvatoh pe barfan barfan
Parvatoh pe thandi
Barfan barsan lagi re

Din chhote chhote ho gaye
Bachapan ki choli jaise
Udhada hi udhada jaaye re
Din chhote chhote ho gaye
Bachapan ki choli jaise
Udhada hi udhada jaaye re
Raate bhi lambi lage
Raate bhi lambi lage
Teri judaayi me
Jaan kaa tukada jaaye re
O re beliya o re beliya
Lautiyo ghara re
O re beliya lautiyoo ghara re

Chanda kaa jantar deke
Raato se maanga tujhako

Abb mere angana me rahiyo
Chanda kaa jantar deke
Raato se maanga tujhako
Abb mere angana me rahiyo
Pitar ki sukhi sukhi
Dari jalaayike rakho
Pitar ki sukhi sukhi
Dari jalaayike rakho
Koseli haafon me rahiyo
O re beliya o re beliya
Lautiyo ghara re
O re beliya lautiyon ghara re
Parvatoh pe barfan barfan
Parvatoh pe thandi
Barfan barsan lagi re.
