Honke dunia ton main firdi lakoi aa
Hoo barishan aaundiyan ne
Agg sinne laundian ne
Sunaiyan jo dil diyan ne
Kaniyan v roo paiyan ne....

Taqdeer badli meri jive badle mosam
Haseyan de vede kho ke la gyo
Kar gye o gum sum
Haseyan de vede kho ke la gyo
Kar gye o gum sum
Yaad teri vich bheet gaiyn sadiyan
Tenu chete kardi main tut akki hoi aa
Tere vajo ranjhan ve main kise di na hoi aa
Honke dunia ton main firdi lakoi aa
Hoo barishan aaundiyan ne
Agg sinne laundian ne
Sunaiyan jo dil diyan ne
Kaniyan v roo paiyan ne....

Kismat da lekha jokha jo v
Manga bass rabb to tenu
Main khowa jovi
Vekha tere hi supne mera bss tu hi
Tur jawe jo koi aapna ve
Lagge jive maada supna ve
Rabb diyan likhiyan ne
Seh seh ke main thakiyan ve
Hoo barishan aaundiyan ne
Agg sinne laundian ne
Sunaiyan jo dil diyan ne

Kaniyan v roo paiyan ne....
