

Bas Ek Kinng Lyrics

English

You better put your fist up
Aa right now now aa aa aa

One for the treble, two for the base,
King is in the place, you better watch this space
One for the treble, two for the base,
King is in the place, you better watch this space
One for the treble, two for the base,
King is in the place, you better watch this space
One for the treble, two for the base,
King is in the place, you better watch this space

Put you fist up, put you fist up,
Put you fist up, put you fist up, put you fist up.....
Put you fist up, put you fist up,
Put you fist up, put you fist up, put you fist up.....

Hey ek colour ke tera patte,
Lekin sab mein bas ek king,
Ace bhi hum hai, base bhi hum hai,
Aur jigar mein hain daring..right now...now
Hey ek colour ke tera patte,
Lekin sab mein bas ek king,
Ace bhi hum hai, base bhi hum hai,
Aur jigar mein hain daring
Hum, hum kare dil ki jo marzi,
Karte karte bas had kar di,
Dil agar sachcha ho rab sab karde setting..

Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king
Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king

Yo yo yo yo...you know
We bring the rockers in the place,

Don't be messing with me punkers,
I hit you in the face,
You know you better salute to
The king you know you better bow down to the singh..
Chak de phatte ,coz we are the greatest,
Kabhi naa darte coz we are the bravest,
Nachde, hasde bad as hell,
Punjabis in the house, you better watch yourself..

Ek nahi dus dus baari, jeet lo ji duniya saari,
Dil kisi ka jo agar tum jeeto, phir to ki gal hai,
Daag lo dus bandukhe, koyalein phir bhi kookein,
Gar samajh pao unki boli ko, phir to ki gal hai..
Aao..dil ka raag sunao.. O o o
Gao, apna gaana, morning to evening

Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king
Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king

You better pump it up,
Singh is the house, you better turn it up,
I say, you better pump it up,
Singh is the house, you better turn it up..

Shaan thi naa shaano shaukat,
Na na na thi koi shauhrat,
Ek din mein hi khula,
Kaise yeh kismat ka taala,
Na to mera kal tha kuch bhi,
Na to mera ab hai kuch bhi,
Ek bas dil tha, ab to woh bhi kisi ko de daala

Jeena ishq bina kya jeena o o o
Jeena, aise jeena oonchi ho thinking

Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king

Hain ek colour ke tera patte,
Lekin sab mein bas ek king,
Ace bhi hum hai, base bhi hum hai,
Aur jigar mein hain daring
Hain ek colour ke tera patte,
Lekin sab mein bas ek king,
Ace bhi hum hai, base bhi hum hai,
Aur jigar mein hain daring
Hum, hum kare dil ki jo marzi,
Karte karte bas had kar di,
Dil agar sachcha ho
Rab sab karde setting

Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king
Singh is king, singh is king, singh is king,
Singh is king, singh is king, singh is king.
