Kya karun haay haay re haay re  
Kya karun haay haay re haay re

Tu jo hase muskuraye teer chalaye  
Do pal bela tera sahaa nahin jaaye  
Lat albeli teri hame uljhaaye  
Aankh kazraari teri  
Humko sataye humko sataye  
Bas mein nahin ji dil bas mein nahin  
Ek nayi nayi nayi nayi mulakaat mein  
Kya karun haay haay re haay re  
Kya karun haay haay re

Dil lutlena phir batiya bana na  
Kaisa dastur zara tum hi batana  
Pyari pyari chhed aur hasna hasana  
Isi ko bhi kehta hai  
Pyar zamana pyar zamana  
Bas mein nahin ji dil bas mein nahin  
Ek nayi nayi nayi nayi mulakaat mein  
Kya karun haay haay re haay re  
Kya karun haay haay re

Bade mastane ho ji maan bhi jaao  
Dil ki lagi ko zara jaan bhi jaao  
Nahin hai paraye ab maan bhi jaao  
Aankh jo milayi hai toh  
Dil bhi milao dil bhi milao

Bas mein nahin ji dil bas mein nahin  
Ek nayi nayi nayi nayi mulakaat mein  
Kya karun haay haay re haay re  
Kya karun haay haay re.
