

Basic Bars Lyrics

English

Dehradun ka mera khoon
95 se damage 98 jaisa
Tera career haath se fisle hai bilkul ret

No its not good
Yeh toh baki rapper kar rahe hai

Main jo bhi bana tumse tej bana
Hobby ka na aur show pe jaana
Aur location pe soke hi jaana
Hum lo ke kanke loke chale
Par khopdi khanke toppe chalein

Mera koi bhi gaana tere 100 ke samaan
Main rap ek saath leke show pe javan

Tum bas thook ke chat te firse thookte ho
Bete main drop pe pahuncha tum parachute pe ho
I don't know kaisi bewafooki ke tum loop pe ho
Bole harayenge mujhe itna kyu fookte ho

I mean fook main bhi leta jab wo
Roll karke deti hai
Aur 15 min show karke hum gol karte peti bhi
Bhawishyavani kari thi jinhone ke main chalunga nahin
Pehla gaana bhugol kardi tedhi maine

Duniya dekhi hai ye saali sundar nahin hai
Jaise haalat hai hum saale bandar sahi the
Well right see you bro aap ghungat ke andar chahiye
Main koyi lehar nahin hun mujhko samandar kahiye

Mera kad thik thak main badli saans
Main sabki saans mein har aawaz hai
Saaring ** khomme saans te
Bhari pen se rok re haath se

Mai ek hi punch kaafi yeh tum sab mere
Geno call me sensei
They won't take me to the little star
Is chakkar mein do deal cancel.

Tab bhi paisa nai ruk ra ae
Kharcha acha chal ra hai
Main jo bhi kama raha hun
Achi laagat ka hai

Aisa mat sochna ki mujhko kuch
Pata nahin chalta
Rehta pahadon par hun dikhta
Niche kya chal ra hai

Jo mere khas the wo raste mein nachte hai
Nachte hue khanste hai
Lyricsbogie.com
Khanste huye bhar bardasht ke hai
Gaana thoda fast hai jake thoda saans le
Ab hasdse ke jhanse milenge faanse
Gale mai khaans ke nikal
De tu baat likh gaaya maine
Bahut huyi baat par naam ni bataya maine

Karma!
