Us jindagi se kaise sitam ko gilaa kare
Jis jindagi ne aapase milawaa diyaa hamein
Dekhaa hame kuch aise ki behkaa diyaa hamein

Ankhon mein hai nashile bhavar zulf mein lehar
Ankhon mein hai nashile bhavar zulf mein lehar
Daryaa ye kaisaa husna kaa dikhalaa diyaaa hamein
Aramaano kaa jahaan mubobbat ki daasataa
Aramaano kaa jahaan mubobbat ki daasataa
Hum kyaa kahe ki apane kyaa kyaa diyaa hamein
Dekhaa hame kuch aise ki behkaa diyaa hamein

Manjar tammam rang mein dube hue se hai
Manjar tammam rang mein dube hue se hai
Tumane ye kis makaam pe pohanchaa diyaa hamein
Ye aap hai ki aayaa hai mausam bahaar kaa
Ye aap hai ki aayaa hai mausam bahaar kaa
Shadaab kar diyaa hamein mehakaa diyaa hamein
Dekhaa hame kuch aise ki behkaa diyaa hamein
Tumane to khwaab dekhanaa sikhala diyaa hamein
Us jindagi se kaise sitam ko gilaa kare
Jis jindagi ne aapase milawaa diyaa hamein
Dekhaa hame kuch aise ki behkaa diyaa hamein
