

Bell Bottom Lyrics

English

Oh sajje khabbe sajje khabbe yaar rakhda
Shehar vich puri maaro maar rakhda
Afeem afgan jehi jatti patti ve
Fayda ki aa jatta feeling na rakhi je

Fayda ki aa jatta feeling na rakhi je
Chhadd kurte pajameya da shaunk ve jatta

Oh paake bell bottom tu aaya kar ve
Laake dab naal tu glock ve jatta
Jatti teri end rehne raule cheed de
Ik addha mere piche thok ve jatta

Fayada ki aa dass tere vailpune da
Raah je koyi gaya mera rok ve jatta

Oh duniya di jihde utte ankh khadi ae
Tere modde naal modda jod khadi ae
Chhadd ke ni jaandi dilon veham kadh de
Reha kar reha kar don't worry ae

Oh duniya di jihde utte ankh khadi ae
Tere modde naal modda jod khadi ae
Chhadd ke ni jaandi dilon veham kadh de
Reha kar reha kar don't worry ae

Kehndiyan jo rang tera coca-cola ve
Ohna naal ohna naal main na bola ve
Booha dil wala kitta tu hi knock ve jatta

Oh paake bell bottom tu aaya kar ve
Laake dab naal tu glock ve jatta
Jatti teri end rehne raule cheed de
Ik addha mere piche thok ve jatta

Gur sidhu music!

Oh saale on the spot pucha chakk jaande aa
Hundi aadat jinna di khichni aan lattan ni
Chitta kurta pajama ae dress jatt di
Kutte jhalde na ghoor sher diyan ankhan di

Oh kala kala picca jatti naal baithi jatt naal
Match kar paya suit laal teri ankh naal
Fit fit jattiye tu chhadd de ni phabna
Karde ishara kanda kihda kihda kadhna

Ho mull modeya ni hale kise meri tor da
Chaad de licence jatta 38 bor da
