Buri nazar wale ho
Tera muh kala
Buri nazar wale ho
Tera muh kala
Apna ka best friend upar wala
Apun ka tenson lene wala
Apna ka best friend upar wala
Apne ko sab kuchh dene wala

Buri nazar wale ho
Buri nazar wale ho
Buri nazar wale ho
Tera muh kala
Buri nazar wale ho
Tera muh kala
Apna ka best friend upar wala
Apun ka tenson lene wala
Apna ka best friend upar wala
Apne ko sab kuchh dene wala

Jo bhi main tujhse karta bhi hu
Gussa jab aata hain to ledata bhi hu
Sikva mahobbat kisse karu
Mera to bas ek hain tu hi tu
Jo bhi main tujhse karta bhi hu
Gussa jab aata hain to ledata bhi hu
Sikva mahobbat kisse karu
Mera to bas ek hain tu hi tu
Chhoti si araji bhai hain
Meri yuhi maraji hain
Jo khole sab ki kismat ka tala

Jo khole sab ki kismat ka tala
Apna ka best friend upar wala
Apun ka tenson lene wala
Apna ka best friend upar wala
Apane ko sab kuchh dene wala

Kya yeh jamin or kya aasman
Kya yeh jamin or kya aasman
Bas tumse manga hain jyada kahan
Jo sab mere paas tujhko dunga
Badle main tujhko chahunga
Kya yeh jamin or kya aasman
Bas tumse manga hain jyada kahan
Jo sab mere paas tujhko dunga
Badle main tujhko chahunga
Mangata hi rahata hu
Bol tujhe karta hu
Inkar mat karna de dene wala
Inkar mat karna de dene wala
Apna ka best friend upar wala
Apun ka tenson lene wala
Apna ka best friend upar wala
Apane ko sab kuchh dene wala
Buri nazar buri nazar

Buri nazar wale ho
Buri nazar wale ho
Buri nazar wale ho
Tera muh kala
Buri nazar wale ho
Tera muh kala
Apna ka best friend upar wala
Apun ka tenson lene wala
Apna ka best friend upar wala
Apane ko sab kuchh dene wala
Apna ka best friend upar wala
Apna ka best friend upar wala
Hum sab ka best friend upar wala
Hum sab ka best friend upar wala.
