

Better Not Mess With Me Lyrics

English

Tedhe mere raaston ko
Seedha main bana doon
Mujhe jo sikhaane aaye
Usse main sikha doon
Who the hell are you to
Tell me what to do
You better not mess with me
Mere dil mein jo aaye
Woh main karoon
You better not mess with me
Kisi se bhi aakhir haan
Main kyun daroon
Just leave me alone
I wanna be on my own
Kyun chhup rahoon
Main kyun sab sahoon

Jo bhi chaaha na mila
Toh maine usse cheena
Keh diya toh dil mein
Aaya honthon ko kya seena
Who the hell are you
To tell me what to do
Mujhe hai pasand
Bas issi tarah jeena
Better not mess with me
Meri saanson mein bada zor hai
Just leave me alone
I wanna be on my own
Kyun chhup rahoon
Main kyun sab sahoon

Khuda hai aasma jisme
Main bandh hoon
Apne bas mein nahin

Lekin bas mein hi hoon
Mere andhar mere
Andhar ik toofan hai
Mere andhar mere
Andhar har subah shaam hai

Jo bhi chaaha na mila
Toh maine usse cheena
Keh diya toh dil mein
Aaya honthon ko kya seena
Who the hell are you
To tell me what to do
Mujhe hai bas issi tarah jeena
Better not mess with me
Mere dil mein jo
Woh main karoon
