

# Bhool Bhulaiyaa 2 (Title Track) Lyrics

## English]

Hare ram  
Hare ram hare ram  
Hare krishna hare ram  
Hare ram hare ram  
Hare krishna hare ram

Let go let go  
Kithe gayi haaye mere dil di shawty  
Oh my god oh lagdi hotty  
Mainu vi oh kar gayi naughty  
Par kill karna uski hobby

Madly searching for this fine shawty  
In my world the number one hotty  
Every where she make him go crazy  
Par kill karna uski hobby

Teri aankhein bhool bhulaiyaa  
Baatein hain bhool bhulaiyaa

Teri aankhein bhool bhulaiyaa  
Baatein hain bhool bhulaiyaa  
Tere sapnon ki galiyon mein  
You keep drivin' me so crazy

Dil mein tu rehti hai  
Betaabi kehti hai  
I keep praying all day  
All day all night long

Hare ram hare ram  
Hare krishna hare ram  
Hare ram hare ram  
Hare krishna hare ram

Hare ram hare ram  
Hare krishna hare ram  
Hare ram hare ram  
Hare krishna hare ram ho ho

Ho dil baby dil ye tera

Ho jaane de na mera  
Kintu parantu mein  
Na time gawa

Ho rehne de soch mein na pad  
Gaur mujhpe thoda kar  
Maara maara hoon jabse  
Tujhko hai dekha

Tu meri khamoshi hai  
लिरिक्सबोगी.कॉम  
Tu meri madhoshi hai  
Tu mera hai afsana  
Making me so happy  
Shaking my body

Tu hai aawara dhadkhan  
Tu hai raaton ki tadpan  
Tu hai meri dil jaana  
Everything about you baby i like it

Teri zulfon ke neeche  
Hai mere khwaabon ki jannat  
Teri baahon mein aake  
Bechaini ko milti raahat

My only wish is  
If i ever ever could make you mine  
Everyone pray with me now  
All day all night long

Hare ram hare ram  
Hare krishna hare ram  
Hare ram hare ram  
Hare krishna hare ram

Hare ram hare ram  
Hare krishna hare ram  
Hare ram hare ram  
Hare krishna hare ram ho ho

Hey baby!  
I'm watching you!

Where's she at  
I'm searching for this fine shawty  
And you think like i be getting naughty

I'm for you, you know i don't play that  
'cause i mean it when you hear me see that

Madly searching for this fine shawty  
In my world the number one hotty  
Every where she make him go crazy  
Gosta you get me yes not a may be.
