

Bhool Bhulaiyaa (Title Track) Lyrics

English

Ram ram ram ram
Where's she at i m searching
For this fine shoddy
And you think like
I be gettin naughty
I m for you you know
I dont play that
Cause i mean it when
You hear me say that
Madly searching for
This fine shoddy
In my world the
Number one hotiee
Every where she
Make them go crazy
Gosta get me he has
Not yet made it

Teri aankhe bhool bhulaiya
Baatein hai bhool bhulaiya
Tere sapnoo ki galiyon mein
I keep looking for you baby
Teri aankhe bhool bhulaiya
Baatein hai bhool bhulaiya
Tere sapnoo ki galiyon mein
You keep driving me so crazy
Dil mein tu rehtein hai
Betabi kehti hai
I keep praying all day
All day all night long
Hare ram hare ram
Hare krishna hare ram
Hare ram hare ram
Hare krishna hare ram
Hare ram hare ram

Hare krishna hare ram
Hare ram hare ram
Hare krishna hare ram

Ohhh oooo

I wanna know what your
Thinking when you'r alone
Cause i m wishing
I could call on your phone
Talk to you right through
The middle of the night
Casue i think i m struck
By love at first sight
You represent my
Dream to perfection
Cram de la cram
You're top of selection
Will you do your hair close

Tu meri khamoshi hai
Tu meri madhosi hai
Tu mera hai aafsaana
Making me so happy
Shaking my body
Tu hai aawara dhadkhan
Tu hai raaton ki tadpan
Tu hai meri dil jaana
Anything about
You baby i like it
Teri zulfon ke neeche
Meri kwaboon ki janat
Teri baahon mein aake
Bechaini ko milti raahat
My only wish is if i ever
Ever could make you mine
Every one pray with me
All day all night long
Hare ram hare ram
Hare krishna hare ram

You watching you i have

Been calling your name

Lets talk about it lets get started

Chahe jaaga ya sooya

Deewanepan mein kohya

Duniya se aab kya dharna

Move on looking life is all party

Tere ehsaanson ki gherayi

Mein dooba rehta hun

Tu meri jaan banjaye her
